

# SCIENCE MAKE ODYSSEY SOME 2021 NOISE

Use this BINGO sheet to stretch those creative muscles and get your hands busy making sound-based projects! If you don't know what one of the things is, ask an adult to look up and put your own take on it! You can post your projects online using:

**#OdySci #THEMUSEUM**

Make a percussion instrument	Build a newspaper tower or fort	Make a TinkerCad account and build a car	Make a friendship bracelet	Make a noise maker
Make a unique musical instrument	Make a paper bridge	Make a stop-motion video	make a bottle ecosystem	Make a Scratch account and write a song
Make a balloon rocket	Make a process art painting		Make a harmonica	Make a pulley
Make a board game	Make a lantern	Make a boat and test it in your tub or sink	Make a music video	Make a catapult
Make a contour drawing	Illustrate a song	Invent a card game	Make a straw pan flute	Listen to sound travel underwater
